

# Just to Hold You Once Again

Mariah Carey

Do you know  
How it feels  
Lying here without you baby  
You could never understand what's happening to me  
So alone  
Nothing's real  
I just dream about you baby  
And forever wonder why you had  
To break free

Even though you're not my lover  
Even though you're not my friend  
I'd give my all  
To have you here  
Just to hold you once again

It's so hard  
To believe  
I don't have you right beside me  
As I long to touch you  
But you're out of my reach  
And my heart doesn't feel  
It's so very cold inside me  
Just a shadow of someone that I used to be

Even though you're not my lover  
Even though you're not my friend  
I would give my all  
To have you here  
Just to hold you once again

You were the only one (only one)  
That I allowed inside my heart  
Now I'm just holding on  
To something so far gone  
Where did I go wrong

Even though you're not my lover  
And even though you're not my friend  
I'd give my all  
To have you here  
Just to hold you once again  
Just to hold you once again
