

# One More Try

Mariah Carey

Baby, I had enough of danger  
And people on the street  
I'm looking up for angels  
Just trying to find some peace  
Now I think it's time  
That you let me know  
So if you love me, say you love me  
But if you don't, just let me go

'Cause teacher, laughing,  
That I don't want to learn  
And the last one I had  
Made my cry  
So I don't wanna along  
Hold you, touch you  
Saying that you're mine  
Because it ain't no joy  
For a love, tell boy, this teacher has told him goodbye  
Goodbye, goodbye

When you were just a stranger  
And I was at your feet  
I didn't feel the danger  
Now I feel the heat  
That look in your eyes  
Telling me NO  
So you think that you love me, NO  
That you need me  
I rather some, I know it's wrong  
Just let me go

'Cause teacher, laughing,  
That I don't want to learn  
And the last one I had  
Made my cry  
So I don't wanna along  
Hold you, touch you  
Saying that you're mine  
Because it ain't no joy  
For a love, tell boy, this teacher has told him goodbye  
Goodbye, goodbye

Who is that teacher  
I'm the student  
Yeah, yeah, yeah  
Boy I'm just gonna say  
You are my teacher  
You are my leader

So when you say that you need me  
That you'll never leave me  
I know you're lone  
You're not that strong  
Let me go

I'm teacher, Love me  
That I still have to learn

But the one that I had  
It's my cry  
Oh, so I don't wanna long  
Hold you, touch you  
Saying that you're mine  
Because it ain't no joy  
For a love, tell boy, this teacher has told him goodbye  
I'm so cold inside  
Maybe just want one more try
