

Vanishing

Mariah Carey

If I could recapture
All of the memories
And bring them to life
Surely I would
Hear the distant laughter
Wasn't it you and me
Surviving the night
You're fading out of my sight
Swiftly

[Chorus]
You're vanishing
Drifting away
You're vanishing

I was so enraptured
No sensibility
To open my eyes
I misunderstood
Now you're fading faster
It's suddenly hard to see
You're taking the light
Letting the shadows inside
Swiftly

[Chorus]

Reaching out into the distance
Searching for spirits of the past
Just a trace of your existence to grasp
And if somehow I could recapture
All of the memories
And bring them to life
Lord knows I would
But now you're fading faster
Getting so hard to see
Taking the light
Letting the darkness inside
Swiftly

[Chorus]
