

# You Don't Know What to Do

Mariah Carey

You need to go  
Don't look so surprised  
Cause we had love  
That will be immortalized  
Say you need me now  
Grow along without me now  
But our little romance is through  
Because basically boy, you  
Boy, you just don't know what to do  
OH

I can give it to ya, but what you gonna do  
Win it if I hit it, I bet you stuck, stoop  
But sucking your teeth, don't mess up my mood  
I'm trying to give it all to you  
I can understand it's things we go through  
Put C's on your back, let see this here through  
And we can be But I gotta get it out of you  
I see that light hold ring on it  
She don't love you then she put your whole name on it  
Gettin' money, everyday is hard knocks  
The date  
I miss you almost half as much as you miss me  
You used to act so tough, pretty security  
Now that I found myself, the air can soon be mine  
Can't even help yourself from playing the fool this time

Ooo, how I loved you  
Ooo, how I needed you  
Ooo, don't I feel brand new  
Ooo, since you turned me lose

Baby, you don't know what  
You don't know what  
You don't know what to do

Cause you wanna leave  
And you never go  
I'ma set you free boy  
Baby, you don't know

You love me more than sunny summer days  
And even more than you love floating in a haze  
Boy when you lost my heart, you lost everything  
Now all that you can do is listen to me sing

I can give it to you, but what you gon' do  
Win it, if I hit it, I bet you stuck, stoop  
And the motto I got, no class in this school  
Take your bags and go boo  
Never mind on it, I'm flexin' like loot  
Balenciagas, got you two steppin' on I could show you we're attendants like  
That's kinda funny cause love still mean lose  
Unless we kill it, wack it, and back-and-forth moves  
Somehow you keep showing you had got C4 (Hey)  
Did you catch that all All the girls need is respect and I'm sure  
Never catch feelings cause yes is my viewGiuseppe my

You don't know what I need  
You don't know you do to me  
You don't know  
You don't know  
You don't know what I need
