

Go Quietly

Marian Hill

I still call you mine, mine
I'm losing your mind
We've been trying too hard and
Couldn't say when it started
You say that we're wrong
Still we play along
'Cause you can't deny me
And I know you're right
But still I can't quite
Drown everything quietly

(Quietly, quietly, quietly, quietly)
I don't want this to go
(Quietly, quietly, quietly, quietly)
I don't want this to go
(Quietly, quietly, quietly, quietly)
I don't want this to go
(Quietly, quietly, quietly, quietly)
I don't want this
Go, go, go
I don't want this to
Go, go, go
I don't want this to

(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)

You were always kind, kind
Take me back in time
Take me out of the water
For the trading gets harder
You sigh and I yell
Gets harder to tell
That you're still beside me
And I hate to fight
But I know you're mine
Drown everything quietly

(Quietly, quietly, quietly, quietly)
I don't want this to go
(Quietly, quietly, quietly, quietly)
I don't want this to go
(Quietly, quietly, quietly, quietly)
I don't want this to go
(Quietly, quietly, quietly, quietly)
I don't want this
Go, go, go
I don't want this to
Go, go, go
I don't want this to

(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)

(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
(Quietly, quietly, quietly, quietly)
