Fallout

Marianas Trench

An empty room, I'm empty too
Everything reminds me of you
So many things I shouldn't have missed
The more that I push and the more you resist
It's easy to see it's for the best
When you want more while you leave me with less.

I know you're fine but what do I do?
I know you're fine but what do I do?

I'm awake and trying
While you're sleeping like a babe beside him
I'm on the ledge while you're so
God damn polite and composed
And I know you see me
and you're making this look so easy
What comes and goes I'd go without
I know you're fine but what if I?

Fallout (fallout) Fallout (fallout) Fallout
Fallout through the bottom
Fallout (fallout) Fallout (fallout) Fallout
You're the fallout

Well now there's him and now there's me
The secrets you give and secrets you keep
And nevertheless it's never you let
It's more that I gave and the less that I get
Don't tell me to fight, to fight for you
After this long I shouldn't have to

I know you're fine but what do I do?
I know you're fine but what do I do?

I'm awake and trying
While you're sleeping like a babe beside him
I'm on the ledge while you're so
God damn polite and composed
And I know you see me

What comes and goes I'd go without
