

# Shut Up and Kiss Me

Marianas Trench

You can say you're kind of bored with this  
But if you're young, it's new, I guess  
But I don't want you leaving me now  
You can say that I don't know romance  
I can sing but I can't dance  
And I don't want you leaving me now  
Oh well you say I'm a mess  
You say everything but a yes  
You say you'll never date me  
You say your mom will hate me

Or you can just shut up  
Shut up shut up shut up  
Shut up and kiss me  
Shut up, shut up, shut up, shut up  
Shut up and kiss me  
You can say you won't  
And you could tell me no, and you can let me go  
Or maybe if you don't, then just  
Shut up  
Shut up shut shut  
Shut up and kiss me

Sha nah nah nah  
Sha nah nah nah  
(How do we know  
The more you say no  
So let's get down low)

Baby don't say to me  
You should stay away from me  
Cause I don't want you leaving me now  
Oh you say don't listen right  
I only hear just what I like  
And I don't want you leaving me now  
Well you say I'm a mess  
You say everything but a yes  
You say you'll never date me  
You say your mom will hate me

Or you can just shut up  
Shut up shut up shut up  
Shut up and kiss me  
Shut up, shut up, shut up, shut up  
Shut up and kiss me  
You can say you won't  
And you could tell me no  
And you can let me go  
Or maybe if you don't, then just  
Shut up  
Shut up shut shut  
Shut up and kiss me

Oh  
shut shut shut  
Shut shut shut up you gotta  
(shut shut shut

Shut shut shut up you gotta)

Oh

shut shut shut

Shut shut shut up you gotta

(shut shut shut

Shut shut shut up you gotta)

Oh

shut shut shut

Shut shut shut up you gotta

(shut shut shut

Shut shut shut up you gotta)

Oh

shut shut shut

Shut shut shut up you gotta

Shut shut shut

Shut shut shut up you gotta

shut up

Shut up shut shut up shut up

And kiss me

shut up

Shut up shut shut up shut up

And kiss me

And you can say you won't

And you could tell me no, and you can let me go

Or maybe if you don't, then just

Shut up

Shut up shut shut

Shut up and kiss me

Shut your mouth and kiss me baby

Shut up

Don't sound like Mike did

No but it's all right for a white kid

Sound like Mike did

No but it's alright for a white kid
