

This Means War

Marianas Trench

So nice to see ya here
Impolite would only be beneath us
Its been what? A half a year
Like nothing ever happen in-between us
I fill you in on how you've been
And I would tell you anything you'd like to hear now

And we can laugh some
Reminisce some
From the same old stories to the new ones
When the nights done, I will just see you around

But that's not what I came here for, my amour
I hate to admit it but I miss the war
Gotta get you under fire quick
Brace for it
I'd rather be a riot than be indifferent
This means war, yeah
This means, this means, this mean this means war

I'm calm, I'm sure of it
Don't shake cause I've never even rattled
It's a good school I've heard of it
You want to move away; surrender from the battle
I just wished you opened fire on me
So I can see you still worry
If I care

And you can laugh long
Reminisce long
From the same old stories to the new ones
When the nights done, I will just see you around

But that's not what I came here for, my amour
I hate to admit it but I miss the war
Gotta get you under fire quick
Brace for it
I'd rather be a riot than be indifferent
This means war, yeah
This means, this means, this mean this means war

Fire in the hole
Fire in the fire in the
Fire in the fire in the hole
Fire in the hole
Fire in the fire in the
Fire in the fire in the hole
Take cover baby
Take cover baby
Take cover baby
Take cover, take cover, baby
Take cover

But that's not what I came here for, my amour
I hate to admit it but I miss the war
Gotta get you under fire quick
Brace for it

I'd rather be a riot than be indifferent
This means war, yeah
This means, this means, this mean this means war
