

# Wherever I Go

Marianne Faithfull

Da da da da da da da da da  
Here I go  
Da da da da da da da da da  
Goodness knows.

You can see I've come so far so  
Kiss me quick  
I swear upon the stars  
They're mine  
I swear upon the love  
You'll find.

So nobody knows  
Wherever I go, it's you  
Wherever I go doesn't it show it's you  
So many things I wanted to bring to you  
Wherever I go I want you to know it's you

Talking in my sleep I sing my song.  
Caught inside the same dreams  
As though nothing's wrong.  
Time is everything but  
it's not my gift  
Da da da da da da da da da  
It's everything I wish.

I swear upon the road I'm on  
I'd give you all I have – I'm strong

So nobody knows  
Wherever I go  
It's you.  
Wherever I go  
Doesn't it show  
It's you.  
So many things  
I wanted to bring  
To you.  
Wherever I go  
I want you to know  
It's you.

Talking in my sleep I sing my song  
Caught inside the same dreams, but not for long.

So nobody knows  
Wherever I go  
It's you.  
Wherever I go  
Doesn't it show  
It's you.  
So many things  
I wanted to bring  
for you.  
Wherever I go  
Doesn't it show  
It's you.

So nobody knows  
Wherever I go  
It's you.  
Wherever I go  
Doesn't it show  
It's you.  
So many things...
