Oh, I, I'm blowing smoke in their eyes  
Here from my throne  
I play them like my own  
Oh, I'm throwing stones from great heights  
Here from my throne  
Oh, I, I'm blowing smoke in their eyes  
White flags don't show  
In this kingdom that I own  
In this kingdom that I own

Falling bottles  
Don't forget me  
Falling bottles  
In this kingdom that I own  
Falling bottles  
Don't forget me

Oh I  
A shadow dressed in moonlight  
Redder than mud  
I play them like my own  
Oh, I, I'm blowing smoke in their eyes  
Here from my throne

White flags don't show
