Maribou State

We know what they all said  
Forewarning of dawning days  
But not always

We know what they all say  
Forewarning of dawning days

We know what said  
Forewarning of dawning  
But not always

We know what they all say  
Forewarning of dawning days  
And so we  
We burn out in our own way

And so we  
We burn out in our own way
