

Spooky

Maribou State

In the cool of the evening
When everything is getting kind of groovy
You call me up and ask me
Would I like to go with you and see a movie?
First I say no, I've got some plans for tonight
But then I stop and say all right

Love is kind of crazy with a spooky little boy like you
Love is kind of crazy with a spooky little boy like you
Spooky

You always keep me guessing, I never seem to know what you are
thinking
And if a girl looks at you, it's for sure your little eye will
be a-winking
I get confused, I never know where I stand
But then you smile and hold my hand

Love is kind of crazy with a spooky little boy like you
Love is kind of crazy with a spooky little boy like you
Spooky
Love is kind of crazy with a spooky little boy like you
Love is kind of crazy with a spooky little boy like you

Spooky

If you decide some day to stop this little game that you are pl
aying
I'm gonna tell you all the things my heart's been dying to be s
aying
Just like a ghost you've been haunting my dreams, but now I kno
w, you're not what you seem
Love is kind of crazy with a spooky little boy like you
