

Ain't Nobody Else

Marié Digby

(Ain't nobody else, but you, oh-oh)

Do you remember
The very first day that we met
Almost November
Could tell you were different from the rest
I was so used to
Doin' life all on my own
Until you came into my world

And now everywhere I go, yeah
Only wanna go with you
Every single day, yeah
Ain't nobody else, but you
Everything I do, yeah
Only wanna do with you
Every single day, yeah
Ain't nobody else
Ain't nobody else, but you, oh-oh
Ain't nobody else, but you

Built a fortress
Iron gates around my heart
No one could get through
Only you could break apart
You are the only
Face that I want to see
Every morning of my life

And now everywhere I go, yeah
Only wanna go with you
Every single day, yeah
Ain't nobody else, but you
Everything I do, yeah
Only wanna do with you
Every single day, yeah
Ain't nobody else
Ain't nobody else, but you, oh-oh
Ain't nobody else, but you
Ain't nobody else
Ain't nobody else, but you, ooh-ooh
Ain't nobody else, but you

We are bound [?] babe
We are bound [?] babe

Everywhere I go, yeah
Only wanna go with you
Every single day, yeah
Ain't nobody else
Ain't nobody else

Everywhere I go, yeah
Only wanna go with you
Every single day, yeah
Ain't nobody else, but you
Everything I do, yeah

Only wanna do with you
Every single day, yeah
Ain't nobody else
Ain't nobody else, but you, oh-oh
Ain't nobody else, but you
Ain't nobody else
Ain't nobody else, but you, ooh-oo
Ain't nobody else, but you
Ain't nobody else, but you
