

Ferris Wheel

Marié Digby

Pictures moving across the horizon as up, up I go
And where I am where I'm everyone looks like marbles is up, up
by go
Had a dream that I sang in a choir as I stood by the sea
I'm not sure how I happened to get here, but I don't want to le
ave

Like a ferris wheel
Lift me up and catch me
Like a ferris wheel
Higher than I've ever been before

Close my eyes as my heart beat go faster I hope, it won't show
I've go so much to prove to myself now as up, up I go
Everything I held inside
Tonight I leave behind with the tides

Like a ferris wheel
Lift me up and catch me
Like a ferris wheel
Higher than I've ever been before

Don't let on that you're afraid
People are waiting now, better have something meaningful to say

Like a ferris wheel
Lift me up and catch me
Like a ferris wheel
Higher than I've ever been
Like a ferris wheel
Lift me up and catch me
Like a ferris wheel
Higher than I've ever been before
