

# Know You By Heart

Marié Digby

Souls that are so connected  
Find one another's love  
Even in the darkness  
Your energy's enough

I don't need my senses to know where you are  
(My love will lead the way)  
Even in the distance, you're never far

Anywhere I will find you  
Like my pulse is beating inside you  
Take my sign, I could go blind  
Cause I know you, cause I know you  
I know you by heart  
I know you by heart  
I know you by heart

I can't feel your spirit  
Lost in a crowded room  
I don't need to hear it  
Your voice carries through

I don't need my senses to know where you are  
(My love will lead the way)  
Even in the distance, you're never far

Anywhere I will find you  
Like my pulse is beating inside you  
Take my sign, I could go blind  
Cause I know you, cause I know you  
I know you by heart  
I know you by heart  
I know you by heart  
I know you by heart  
I know you by heart

In all this malice we still (...)  
To stay together whenever apart  
Don't let the chaos separate us  
(...) you are

Anywhere I will find you  
Like my pulse is beating inside you  
Take my sign, I could go blind  
Cause I know you, cause I know you  
I know you by heart  
Anywhere I will find you  
Like my pulse is beating inside you  
Take my sign, I could go blind  
Cause I know you, cause I know you  
I know you by heart  
I know you by heart  
I know you by heart  
I know you by heart  
I know you by heart
