Souls that are so connected Find one another's love Even in the darkness Your energy's enough

I don't need my senses to know where you are (My love will lead the way)
Even in the distance, you're never far

Anywhere I will find you
Like my pulse is beating inside you
Take my sign, I could go blind
Cause I know you, cause I know you
I know you by heart
I know you by heart
I know you by heart

I can't feel your spirit Lost in a crowded room I don't need to hear it Your voice carries through

I don't need my senses to know where you are (My love will lead the way)
Even in the distance, you're never far

Anywhere I will find you
Like my pulse is beating inside you
Take my sign, I could go blind
Cause I know you, cause I know you
I know you by heart

In all this malice we still (...)
To stay together whenever apart
Don't let the chaos separate us
(...) you are

Anywhere I will find you
Like my pulse is beating inside you
Take my sign, I could go blind
Cause I know you, cause I know you
I know you by heart
Anywhere I will find you
Like my pulse is beating inside you
Take my sign, I could go blind
Cause I know you, cause I know you
I know you by heart

I know you by heart
