

# Everything Is Beautiful

Marie Osmond

Everything is beautiful  
In it's own way  
Like the starry summer nights  
Or a snow covered winter's day  
Everybody's beautiful  
In their own way  
Under God's heaven  
The world's gonna find the way

There is none so blind  
As he who will not see  
We must not close our minds  
To let our thoughts be free  
For every hour that passes by  
The world's a little bit older  
It's time to realize  
That beauty lies in the  
Eyes of the beholder

Everything is beautiful  
In it's own way  
Like the starry summer nights  
Or a snow covered winter's day  
Everybody's beautiful  
In their own way  
Under God's heaven  
The world's gonna find the way

We shouldn't care  
About the length of his hair  
Or the color of his skin  
Don't worry about  
What shows from without  
But the love that lives within  
Well get it all together now  
Everything will work out fine  
Just take the time  
To look on the good side  
And straighten it out in your mind

Everything is beautiful  
In it's own way  
Like a starry summer night  
On a snow covered winter's day  
Everybody's beautiful  
In their own way  
Under God's heaven  
The world's gonna find the way

Everybody's beautiful  
In their own way  
Under God's heaven  
The world's gonna find the way

Everybody's beautiful  
In their own way...
