

## Between the Bars

Marika Hackman

Drink up, baby, stay up all night  
With the things you could do, you won't but you might  
The potential you'll be, that you'll never see  
The promises you'll only make

Drink up with me now, forget all about  
The pressure of days, do what I say  
And I'll make you okay and drive them away  
The images stuck in your head

People you've been before  
That you don't want around anymore  
That push and shove and won't bend to your will  
I'll keep them still

Drink up, baby, look at the stars  
I'll kiss you again between the bars  
Where I'm seeing you there with your hands in the air  
Waiting to finally be caught

Drink up one more time and I'll make you mine  
Keep you apart, deep in my heart  
Separate from the rest where I like you the best  
And keep the things you forgot

People you've been before  
That you don't want around anymore  
That push and shove and won't bend to your will  
I'll keep them still
