

conventional ride

Marika Hackman

I've been this girl before
Some fantasy you'd love to adore
Impossible to sustain, it's ingrained
Four hands, two mouths
Is that not enough, the feminine touch?

Could it be that you need a conventional ride?
Conventional ride
A conventional ride
Conventional ride

XX, our sex is best
IMHO but you seem depressed
We go to sleep straight away, that's okay
But I'm close to done with playing the nun
Are you having fun?

Could it be that you need a conventional ride?
Conventional ride
A conventional ride
Conventional ride
