

Please Don't Be So Kind

Marika Hackman

Would you cut me off
So the lines are dead
You know I'd want you then
And you know I'm right
'Cause you said I said
I didn't want you

But I'm not fine
And you were like
Ha ha ha
No I'm not fine
And you were like
Ha ha ha

If I could love you
Like I want to
Would you give yourself away
Would you give yourself away
And in my dark hour
Rip my heart out
Would you give yourself away
Would you give yourself

So you cut me up
And the lines went red
I didn't want you then
And I know you lied
'Cause I heard you said
I didn't warn you

But I'm not fine
And you were like
You're no god
No I'm not fine
And you were like
You're no god

If I could love you
Like I want to
Would you give yourself away
Would you give yourself away
And in my dark hour
Rip my heart out
Would you give yourself away
Would you give yourself?

Please don't be so kind
Please don't be so kind
Please don't be so kind
Please don't be so kind

If I could love you (Please don't be so kind)
Like I want to
Would you give yourself away
Would you give yourself away
And in my dark hour (Please don't be so kind)
Rip my heart out

Would you give yourself away
Would you give yourself?

If I could love you (Please don't be so kind)
Like I want to
Would you give yourself away
Would you give yourself away
And in my dark hour (Please don't be so kind)
Rip my heart out
Would you give yourself away
Would you give yourself?
