

When we were young, we used to live so close to it  
And we were scared and we were beautiful  
And when I peered over the edge and seen death  
If we are always the same

Oh, and I feel that nothing in life could ever be like this aga  
in  
'Cause your love kept me alive and made me insane

There were moments when it seemed okay  
To this moment, oh, where do you stay?  
(I go back alone)  
There was a time when the music would play  
(I go back alone)

Oh, baby, every morning there are mountains to climb  
Taking all my time  
Oh, when I get up, this is what I see  
Welcome to reality  
Oh, baby, every morning there are mountains to climb  
Taking all my time  
Oh, when I get up, this is what I see  
Welcome to reality

When we were young, we used to live so close to it  
And we were scared that you were beautiful  
And when I peered over the edge and seen death  
If we are always the same, oh, yeah

There were moments when it seemed okay  
(But I go back alone)  
To this wall, oh, where do you stay?  
(I go back alone, I go back alone)

Oh, baby, every morning there are mountains to climb  
Taking all my time  
Oh, when I get up, this is what I see  
Welcome to reality  
Oh, baby, every morning there are mountains to climb  
Taking all my time  
Oh, when I get up, this is what I see  
Welcome to reality
