I was happy for a while
Gold is on the ground
I was happy for a while
Gold is on the ground
I was happy for a while
Gold is on the ground
I was happy for a while
Gold is on the ground
I was happy for a while
Gold is on the ground
I was happy for a while
Gold is on the ground
I was happy for a while
Gold is on the ground
I was happy for a while

Gold is on the ground
I was happy for a while
Gold is on the ground
I was happy for a while
