

# Easter

Marillion

**G D Em C (2x)**

**G D Em C**  
1. A ghost of a mist was on the field

**G D Em C**  
the grey and the green together

**G D Em C**  
The noise of a distant farm machine

**G D Em C**  
out of the first light came

2. A tattered necklace of hedge and trees  
on the southern side of the hill  
Betrays where the border runs between  
where Mary Dunoon's boy fell

**D C Am Em**

R: Easter, here again,

**D/F# Em/C C/G G**  
a time for the blind to see

**D C Am Em**

Easter, surely now,

**D/F# C Em/D D C/D D Em/D D C/D D**  
can all of your hearts be free

3. Out of the port of Liverpool  
bound for the north of Ireland  
The wash of the spray and horsetail waves  
the roll of the sea below

**G**

What will you do?  
Make a stone of your heart?

**Am**

Will you set things right?  
When you tear them apart?

**C**

Will you sleep at night?

**G**

With the plough and the stars alight?

**G**

What will you do?  
With the wire & the gun?

**Am**

That'll set things right  
When it's said and done?

**C**

Will you sleep at night?

**G**

Is there so much love to hide?

**G**
