

One Fine Day

Marillion

Bm **A** **E** **G**
Oh how years change the things for which we strive.

Em **F#m** **G** **A**
A better world now just quiet life.

Bm **A** **E** **G**
What seems so simple is still so far away

Em **F#m** **G** **A**
Don't hold your breath wait if one fine day

D **A** **Bm** **E**
Listening to the pouring rain

D **A** **G**
waiting for the world to change

D **A** **Bm** **E** **D** **A** **G**
beginning to wonder if we'll wait in vain for one fine day.
