## **Separated Out**

## Marillion

Can you feel my skin?
Can you feel my bones?
Can you put my spine
In plaster and take me home?

So unpleasant inside and out
So unpleasant inside and out
If you like I'll tell you about it
You wouldn't want to know

My heads full of water Tears I never cried Could you hold me under the shower In the cold outside?

So unsteady inside and out
So unsteady inside and out
If you like I'll tell you about it
You wouldn't want to be

Separated out Separated out Separated out

I need medical attention Where's my memory gone? Everything I told you including this I already forgot

Separated out
From the living stream
The thing that couldn't lie straight
Straight in the machine

So unstable inside and out Don't know how much longer I'll take it If you like I'll sell you a ticket Or you can get in for free

Am I enough of a freak
To be worth paying to see?
Am I enough of a freak
To be worth paying to see?

Can you feel my skin?
Can you feel my bones?
Can you put my spine
In plaster and take me home?

Can you kiss my face? Let me know it's there Can you give it shape? Can you kinda care?

Am I enough of a freak
To be worth paying to see?
Enough of a freak

To be worth paying to see

Enough Enough
