You wanna know what Zeus said to Narcissus?  
You'd betta watch yoself  
You wanna know what Zeus said to Narcissus?  
You'd betta watch yoself  
You'd betta watch yoself  
It's like a stranger had a key, came inside of my mind  
And moved all my things around  
He didn't know snakes can't eat a brain  
Can't try to break the psyche down  
It's in my half frozen wax  
And your artillery lead  
Do ya like our plan?  
Do ya like our plan?  
Deep 6, 6, 6 feet deep  
Deep 6, 6, 6 feet deep  
It's like a stranger had a key, came inside of my mind  
And moved all my things around  
He didn't know snakes can't eat a brain  
Can't try to break the psyche down  
It's in my half frozen wax  
And yo artillery lead  
Do ya like our plan?  
Do ya like our plan?  
It's in my half-frozen wax  
And yo artillery lead  
Do ya like our plan?  
Do ya like our plan?
