Dune Buggy

Marilyn Manson

They'd mount machine guns on top of the dune buggies
And the girls would drive the dune buggy while the guys shot the machine gun
We'd swoop down on the town and kill everyone that wasn't beautiful

Take it out take it out
Take it out take it out
Take it out
Dog god, bites my face
Rip it out by the roots
Rip it out by the roots
From my skull
Goddamn toilet washes me away
Cuz I am the Choklit Cow
Choklit Cow
Ask forgiveness and
I'll show you how
Choklit Cow
Choklit Cow
Ask forgiveness and
I'll show you how

Trippin' this trippin' this
Trippin' this trippin' this
Trippin' that
Smile like, a cheshire cat
Get it out get it out
Get it out get it out
Get it out of your skull
You're just a doll
I make sometimes to play

Take me down now
Hole in the ground
The little girls think
That I'm so sweet
Mocked up and down
Heart like a ghost town
Spirits of the world
Cower at my feet

Take it out take it out
Take it out take it out
Take it out
Dog god, bites my face
Rip it out by the roots
Rip it out by the roots
Rip it out
Goddamn toilet washes me away
Cuz I am the Choklit Cow
Choklit Cow
Ask forgiveness and
I'll show you how
Choklit Cow
Choklit Cow
Ask forgiveness and
I'll show you how

I am the Choklit Cow
Ask forgiveness and
I'll show you how
I am the Choklit Cow
Ask forgiveness and
I'll show you how
