

# Pistol Whipped

Marilyn Manson

You look so pretty  
When you cry.  
Don't wanna hit you  
But the only thing,  
Between our love is  
(1) A bloody nose  
(2) A busted lip  
And  
(3) A blackened eye

You look so pretty  
When you cry.  
Don't wanna hit you  
But the only thing,  
Between our love is  
(1) A bloody nose  
(2) A busted lip  
And  
(3) A blackened eye

You're a little pistol  
And I'm fucking pistol whipped  
You're a little pistol  
And I'm fucking pistol whipped

(Cock, cock, cock it)

When I undo my belt,  
You melt and you walk away  
With a red, red, red welt  
(Or so they say)

When I undo my belt,  
You melt and you walk away  
With a red, red, red welt  
(Or so they say)

You're a little pistol  
And I'm fucking pistol whipped  
You're a little pistol  
And I'm fucking pistol whipped

I wanna have your ache  
And beat you too  
I wanna have your ache  
And beat you too  
I wanna have your ache  
And beat you too  
I wanna have your ache  
And beat you too

You're a little pistol  
And I'm fucking pistol whipped  
You're a little pistol  
And I'm fucking pistol whipped
