

# SOLVE COAGULA

Marilyn Manson

You are the one  
Tore off both your arms  
Gouged out your eyes  
And ripped out your own tongue  
So listen

I'm not special, I'm just broken  
And I don't wanna be fixed

No one else I  
No one else I  
Wanna be like  
So I stayed the same  
Like nobody else

So you think you can sing or clap  
Well, all you need is an ear  
So listen

I'm not special, I'm just broken  
And I don't wanna be fixed

No one else I  
No one else I  
Wanna be like  
So I stayed the same  
Like nobody else  
No one else I  
No one else I  
Wanna be like  
So I stayed the same  
Like nobody else

No one else I  
No one else I  
Wanna be like  
So I stayed the same  
Like nobody else  
No one else I  
No one else I  
Wanna be like  
So I stayed the same  
Like nobody else

I'm not special, I'm just  
Broken and I don't wanna be fixed  
I'm not special, I'm just  
Broken and I don't wanna be fixed  
I'm not special, I'm just  
Broken and I don't wanna be fixed  
I'm not special, I'm just  
Broken and I don't wanna be fixed  
I'm not special, I'm just  
Broken and I don't wanna be fixed
