

## Ladies of the Chorus

**Marilyn Monroe**

We're the ladies of the chorus  
We're the ladies of the chorus  
Here to sing and dance for you.  
Our flirty flirty eyes will wink in your direction.  
We will throw you all a kiss that's filled with sweet  
affection.  
If you keep applauding for us  
We will give a better show.  
A great big howdy-do  
From the ladies of the chorus  
Just for you.
