

One Silver Dollar

Marilyn Monroe

One silver dollar
Bright silver dollar
Changing hands
Changing hands

Endlessly rollin'
Wasted and stolen
Changing hands
Changing hands

Spent for a beer he's drinkin'
Won by a gamblers lust
Pierced by an outlaw's bullet
And lost in the blood red dust

One silver dollar
Worn silver dollar
Changing hands
Changing hands

Love is a shining dollar
Bright as a church bell's chime
Gambled and spent and wasted
And lost in a dawn of time

Ooh-ooh..., Ooh-ooh-ooh
Ooh-ooh..., Ooh-ooh-ooh
Ooh-ooh, Ooh-ooh-ooh-ooh

One silver dollar
Worn silver dollar
Changing hearts
Changing lives
Changing hands
