

Traitor

Marina Kaye

Love is a loaded gun
You put it to my head
Expecting me to run
But I didn't lose a breath
You wanna play russian roulette
But you don't have the balls for death
Not man enough to take
That was your first mistake

You're nothing but a traitor
You're nothing but a weakling
You're nothing but a traitor
You're never gonna beat me

Love is a battlefield
We fight for the right
To express how we feel
But you didn't care enough

You're nothing but a traitor
You're nothing but a weakling
You're nothing but a traitor
You're never gonna beat me

You're nothing but a traitor...

I've measured your thoughts
I've figured you out
I've already read your mind
You'll take a fall
No shadow of doubt
Sooner or later, sooner or later, sooner or later

You're nothing but a traitor
You're nothing but a weakling
You're nothing but a traitor
You're never gonna beat me

You're nothing but a traitor...

Love is a loaded gun
