

# Simplify

## Marina & the Diamonds

Lately I have realised  
That I need to simplify  
Thoughts pass like ships in the sky  
Do, or do not, there is no try

Life became complicated  
When modern times arrived  
Board games are underrated [original line: "Monopoly is underrated"]  
I want a different life  
They say, well get out of the city  
We say, well there's no such thing  
As a house in the country (in the country)

I am trying to rectify  
Habits that clog up my mind  
No time to be meek and mild  
Live simply like a child

Simplify, your life  
Simplify, life
