## Marina & the Diamonds

Nice legs, Daisy dukes,  
Makes a man go whoo-who  
That's the way they all come through  
Like whoo-who whoo-who  
Low-cut, see-through shirts That make you whoo-who  
That's the way she come through  
Like whoo-who whoo-who

(Cause I) Just set them up Just set them up  
Just set them up  
To knock them down  
(Cause I) Just set them up Just set them up  
Just set them up  
To knock them down

I think I should know how  
To make love to something innocent  
Without leaving my fingerprints out, now  
L-O-V-E's just another word  
I'll never learn to pronounce  
How do I say I'm sorry  
'Cause the word is  
Never gonna come out no  
L-O-V-E's just another word  
I'll never learn to pronounce

Tight jeans, Double D's Makin' me go whoo-who  
All the people on the street Know Iced-out, lit-up  
Make the kids go whoo-who  
All the people on the street Know whoo-who whoo-who

(Cause I) Just set them up Just set them up  
Just set them up  
To knock them down  
(Cause I) Just set them up Just set them up  
Just set them up  
To knock them down

I think I should know how  
To make love to something innocent  
Without leaving my fingerprints out now  
L-O-V-E's just another word I'll never learn to pronounce  
How do I say I'm sorry  
'Cause the word is  
Never gonna come out no  
L-O-V-E's just another word I never learned to pronounce  
Push it baby  
Push it baby out of control  
I got my gun cocked tight And I'm ready to blow  
Push it baby  
Push it baby out of control This is the same old dance That you already know  
(2x)

I think I should know how  
To make love to something innocent  
Without leaving my fingerprints out no  
L-O-V-E's just another word

I'll never learn to pronounce
