

# Too Afraid

Marina & the Diamonds

I wanna change but I don't know how  
I've been trying to turn my life around  
I've been to every party, every bar  
Nothing thrills me in this city anymore

I guess I didn't know if I was happy (ah)  
I can't pretend, I can't pretend  
Been feeling like I don't belong  
And I see (ah) I've reached an end, I've reached an end

What, well what can I do?  
I hate this city but I stay 'cause of you  
Why, well why can't I change?  
I wanna move on but I'm just too afraid

Just too afraid  
Just too afraid  
Just too afraid  
That's why I stay

Get on the train, I go underground  
People look so lonely, with eyes turned down  
This isn't living, this isn't how  
I thought my life would be  
God I need to get out

Nothing's gonna change the way I feel (ah)  
I can't pretend, I've reached an end

What, well what can I do?  
I hate this city but I stay 'cause of you  
Why, well why can't I change?  
I wanna move on but I'm just too afraid

Just too afraid  
Just too afraid  
Just too afraid  
That's why I stay  
Just too afraid  
Just too afraid  
Just too afraid  
That's why I stay

Aah, it could all be different  
Aah, in this life  
Change your future in an instant  
Aah, just to feel alive

What, well what can I do?  
I hate this city but I stay 'cause of you  
Why, well why can't I change?  
I wanna move on but I'm just too afraid

Just too afraid  
Just too afraid  
Just too afraid  
That's why I stay

Just too afraid  
Just too afraid  
Just too afraid  
That's why I stay

That's why I stay  
That's why I stay
