

# Bed Love

Mario

Ohhhhh  
Ohhhhh  
Yeah

If I told you, would you understand or would you turn away  
All I did was fornicate and kept it moving  
But everything ain't anything when you can't feel a thing at all, no  
I don't really know if I can be the man you want  
But another man in my place,  
I couldn't handle gorgeous  
There I go again, being selfish with your love

So I just stand here in the middle of love and goodbye  
Waiting for your heart to call and show me  
The right way, tell me I'm invited  
Cause I just don't know if you're willing to

With that said, since we're here  
Tonight I wanna make you fall in bed love, bed love, bed love, bed love  
Don't be mad, let's be clear  
Tonight I wanna make you fall in bed love, bed love, bed love, bed love, bed  
Baby I don't know  
Something you been giving off  
And it could be love  
Or maybe you just wanna fu...  
With that said, since we're here  
Tonight I wanna make you fall in bed love, bed love, bed love, bed love, bed

So I chose to show a side of me that wasn't a lie  
And it's all because of your modesty that love's justified  
I see the way that you look at me  
Stop reading my mind, my heart, rewind  
Gotta control this one more time  
I can tell you believe  
You can see all the things  
That I can't see (that I can't)  
Wish I could see (wish I could)  
But I can't and I don't know if I ever will  
Probably cause I can't tell when it's real

So I just stand here in the middle of love and goodbye  
Waiting for your heart to call and show me  
The right way, tell me I'm invited  
Cause I just don't know if you're willing

With that said, since we're here  
Tonight I wanna make you fall in bed love, bed love, bed love, bed love  
(Girl don't be mad)  
Don't be mad, let's be clear  
Tonight I wanna make you fall in bed love, bed love, bed love, bed love, bed  
Baby I don't know  
Something you been giving off  
And it could be love  
Or maybe you just wanna fu...  
With that said, since we're here  
Tonight I wanna make you fall in bed love, bed love, bed love, bed love  
(Make you fall in)

Everybody needs something  
But everything ain't enough  
And if we're living for the moment  
Everything gets too much.  
If there was one thing in my life I never had baby it's you  
And baby I don't wanna mess this up

With that said, since we're here  
Tonight I wanna make you fall in bed love, bed love, bed love, bed love  
Don't be mad, let's be clear  
Tonight I wanna make you fall in bed love, bed love, bed love, bed love, bed  
Baby I don't know  
Something you been giving off  
And it could be love  
Or maybe you just wanna fu...  
With that said, since we're here  
Tonight I wanna make you fall in bed love, bed love, bed love, bed love
