

## Computer Love

Mario

These conversations,  
Get me in the mood  
I'm bout to catch a cab to your place girl  
Cuz I been waitin'  
And you know what I wanna do  
I'm thinkin' that it's time we escape girl  
Cuz Skype can't gimme what I need right now (right now)  
I don't wanna text you I just wanna sex you

No more computer love (computer, puter, puter love)  
Because girl I refuse to log on when I wanna see you baby  
No more computer love  
How about we try lookin' each other in the face tonight  
No more no, no, no

Find stimulation,  
With all your clothes removed.  
I'll make you arrive right away girl  
Been contemplatin'  
But now it's me on you  
I'll put in the time that it takes girl  
Cuz Skype can't gimme what I need right now (right now)  
And I don't wanna text you I just wanna sex you

No more computer love (computer, puter, puter love)  
Because girl I refuse to log on when I wanna see you baby  
No more computer love  
How about we try lookin' each other in the face tonight  
No more no, no, no

Cuz touchin is way better girl  
And I'll show you how  
We'll explore all the new positions girl  
Cuz I got you in person now

No more computer love (computer, puter, puter love)  
Because girl I refuse to log on when I wanna see you baby  
No more computer love  
How about we try lookin' each other in the face tonight  
No more no, no, no

So come on over, let me show you what's better than computer love girl...
