

# Do Right

Mario

What have I missed  
Living like this  
Who did I get this for  
Fancy house and my fancy car  
While your living like this  
Together as kids  
You were my best of friend  
All the trouble you got up in  
See I been there  
And I been scared  
I been discriminated against and compared  
To you who's my brother  
Thanks to you I discovered  
There's only one way to go in life and that's be right

R: There's only one way to do right right right right  
There's only one way to do right right right right  
See me I aint always done right right right right  
that's why im here to help you fight  
fight to do right

You were the queen in my future I was the one you was used to  
It was like we were one  
up under the sun  
Heartaches in your system the love I should've unlisted  
Now look what we've become  
But I shouldn't judge  
See I been there  
And I been scared  
I been discriminated against and compared  
To you who's my mother  
now through u I discovered  
There's only one way to go through life and that's be right

R:

Cause in life there a decisions to make  
but its your choice  
But I chose to walk away  
Rather that wild'n not a chance to be locked away  
See my friends all chose the fast money  
but I chose my boy  
Cause I knew you'd come for me  
Yea you'd come for me  
Yea any day  
See what im trying to say is that im trying to be the best man I can be  
And what I see in you struggling and do the best you can do  
You may run into a rock but you cant let it stop what's planned for you  
So make the right choice

R: (2x)
