

Good One

Mario

(4x)

Said I know (I got)
Said I know (I got)
I got me a good one

Whenever I need ya, you're always there.
You're even there those times I didn't even know you're there
And whenever I call, girl, you answer
Damn girl, you're so good; I think you could be the cure to cancer
Girl, ohhhh

Sometimes, I can't believe that He sent you to me, oh
I get this feeling I never had my soul
And as sure as the sky holds the sun,
Said I know I got me
I got me a good one

So, baby, whenever you need me
Don't hesitate to call
Cause I'm your friend
When you feel you got no friends at all

You can lay your head on my shoulder
You can tell me all about it
And when were done talkin'
We can make love all around
It's like, ohhhhh

Sometimes, I can't believe that He sent you to me, ohhh
I get this feeling I never had my soul
As sure as the sky holds the sun
Said I know I got me (extended)
I got meeee a good one

Said I know (I got)
