

# Keep Going (Aaaaahhhhh)

Mario

Oh yeah  
Oh

I know when you say things  
I know what you mean  
FaceTime me, don't leave me  
This time you'll believe me  
Got some blood on my hands  
But I'm still a good man

Stay down, and you gonna see me  
Face down 'til you don't see me  
You know I look deep in  
Girl, you know we locked in  
I release your stress 'cause I know you feel that pressure  
Aaaaahhhhhh  
Seen this in my dream it was you, yeah  
Aaaaahhhhhh  
But we can wake up one morning, and it's through, yeah

Just keep on kissing me girl, I don't want to stop this  
Keep on going, I just might kiss you on that ah-ah-ah-ah  
I know you like how I apologize  
'Cause now I got you screaming like, "Ah-ah-ah-ah-ah-ah-ah-ah"  
Don't you want to feel it how it felt when we met?  
Space and time slows down when we sext, ah-ah-ah  
If loving you is wrong, then I don't want to get it right  
Aaaaahhhhhh

I know when you say things  
Keep saying the same things  
We can do more than talk  
'Til we hear the alarm  
Know how much it hurts, but it does feel worth it

Lay down, girl make it easy  
Face down 'til you don't see me  
You know I look deep in  
Girl, you know we locked in  
I release your stress 'cause I know you feel that pressure  
Aaaaahhhhhh  
Ooh, yeah  
Seen this in my dream, it was you, yeah  
Aaaaahhhhhh  
Don't want to wake up one morning, and it's through, yeah

Just keep on kissing me, girl, I don't want to stop this  
Keep on going, I just might kiss you on the ah-ah-ah-ah  
I know you like how I apologize  
'Cause now I got you screaming like, "Ah-ah-ah-ah-ah-ah-ah-ah"  
Don't you want to feel it how it felt when we met?  
Space and time slows down when we sext, ah-ah-ah  
If loving you is wrong, then I don't want to get it right  
Aaaaahhhhhh

Aaaaahhhhhh  
An-an-an-an
