Mario

Christian Dior  
Ballin' her hard  
Lovin' her raw  
Fallin' in love  
Money over feelings, baby, that's the mantra  
Fuckin' her raw  
Ass like Kilimanjaro  
Might kill a man jaw  
Lick her so good 'til she fallin' in love

Baby, can we keep tryin'?  
Don't wanna divide  
This man wants you close  
Your ex man was a waste, man, yeah, I know  
So, baby, let's get litty  
Blow some tree, fuck wit' me  
Girl, make it drop for me

Throw a hundred Gs in your purse  
I just wanna be your person  
Baby, I'm a gift or the curse  
You don't wanna miss out on your blessin'  
Body-ody, don't catch a body  
Girl, your body-ody-ody, don't catch a body  
Ooh, yeah

Christian Dior  
Ballin' her hard  
Lovin' her raw  
Fallin' in love  
Money over feelings, baby, that's the mantra  
Fuckin' her raw  
Ass like Kilimanjaro  
Might kill a man jaw  
Lick her so good 'til she fallin' in love

Ballin' like Jordan  
Lovin' her raw  
Fallin' in love  
Money over feelings, baby, that's the mantra  
Fuckin' her raw  
Ass like Kilimanjaro  
Might kill a man jaw  
Lick her so good 'til she fallin' in love

Baby, we don't gotta hide it  
I just wanna show my love for you  
Put my hands around your waist  
All gas with no brakes, no hesitation  
So, baby, let's get litty  
Blow some tree, fuck wit' me  
Girl, make it drop for me

Throw a hundred Gs in your purse  
I just wanna be your person  
Baby, I'm a gift or the curse
