

Taste The Difference

Mario

Baby, why you calling begging on the floor?
Lady, you had it all and let it slip away, uh yeah
I gave you every part of me talked forever we would be
But I guess I was wrong
You took a chance at romance with another man
And now you want me to change my place with ya
Guessed you learned your lesson, cause you're calling me stress
ing
Leaving messages

I see you're coming back for more, are you begging for
So need to put it on your night before
And if that's coming back again no more arguing for I've decide
to let you win
Tell me baby, do you taste the difference, taste the difference
, taste the, taste the, taste the,
Baby do you taste the difference, taste the difference, taste t
he, taste the, taste the (2x)

Baby do you're crazy? You have bad intentions, you try to play
me
It's looking like it happened last night, uh yeah
The ball is in my court, you want me to be a good sport
Shawty, time for rematch
You took a chance at romance with another man
And now you want me to change my place with ya
I guess you learned your lesson, cause you're calling me stress

I see you're coming back for more, are you begging for
So need to put it on your night before
And if that's coming back again no more arguing for I've decide
to let you win
Tell me baby, do you taste the difference, taste the difference
, taste the, taste the, taste the,
Baby do you taste the difference, taste the difference, taste t
he, taste the, taste the (2x)

I see you want it back baby, see I'm the best you ever had, bab
y
You know you know better not to go, nut you're here cause your
body told you so

I see you're coming back for more, are you begging for
So need to put it on your night before
And if that's coming back again no more arguing for I've decide
to let you win

Tell me baby, do you taste the difference, taste the difference
, taste the, taste the, taste the,
Baby do you taste the difference for me, I think you're... calling me
Baby tell me please, baby do you, baby do you,.. baby do you taste the difference?
Baby do you, oh, baby do you? Baby do you? Baby do you?
