Do, Do, Do

Marion Aunor

It's only the beginning, and I'm barely on square one
Expectations rise above me
All I wanna do is use my own voice
Make my own choices
But what if it's not good enough for you
There are so many things you want for me
Things you said that I could be
But it seems my feet are taking me to a whole different direction
Just let me get there naturally
Without unwanted pressures happening
Let's let unfold what is meant for me
Ohh

'Coz all I wanna do, do, do, do
Is share my music
Get the people
Grooving to it
Get them singing along
To my every song
Oh, I can do, do, do this all day long
Hope that they
Can relate to it
Get them LSS-ing to it
And I know I'm gonna get there if I use my way
All I wanna do, do, do
Woahhh... do, do, do
Ohhh... do, do, do
Woaahh. Woahh
I'm just so sick, sick of trying to please everybody
Why can't I just do this one thing for me
Everybody has decided what image they want for me
I haven't even figured out
What I want to be
Please just leave that to me
There are so many possibilities
So much we can do with what we were given
So please excuse me for resisting
The box you try to put me in
Not pushing you out
Just telling you what I'm all about

What I do, do, do, do, do
Is share my music
Get the people
Grooving to it
Get them singing along
To my every song
Oh, I can do, do, do this all day long
Hope that they
Can relate to it
Get them LSS-ing to it
And I know I'm gonna get there if I use my way
All I wanna do, do, do
Woahhh... do, do, do
Ohhh... do, do, do
Woaahh. Woahh
Do, do, do Woahhh...

```
Do, do, do Ohhh...
Do, do, do, Woaahh. Woahh

But please don't mistake this for overconfidence
There really isn't nothing wrong
With the ideas you suggestin'
I'm just saying
I think I can handle it from here
Like everybody tryin' to figure out
Who I'm supposed to be
But that does not give you the right to tell me
What I should be
Just give me the chance
To show you who I am
What I do, do, do, do, do, do
Ohhh

Woahhh... do, do, do
Ohhh... do, do, do
Woaahh. Woahh
Do, do, do Woahhh...
Do, do, do Ohhh...
Do, do, do, Woaahh. Woahh
All I wann a do, do, do
```
