

Someone's Always Saying Goodbye

Marion Aunor

Why do people fall in love
And then end up crying
Why do lovers walk away from themselves
When their hearts are breaking
Why does loving sometimes never stay long
Why does kissing this time mean you'll be gone
Why does gladness become sadness
Things that I don't get

Someone's always saying goodbye
I believe it hurts when we cry
Don't we know partings never so easy
And with all the aching inside
I believe some hearts will survive
Trying hard to pretend that we were gonna be fine

I could never really love
Someone else but you
I have never wanted anything else
But a love so true
But just like a dream that comes in the night
In the morning you were out of my sight
Turned away from me, sadly as I see
Away from where I stand

Someone's always saying goodbye
I believe it hurts when we cry
Don't we know partings never so easy
And with all the aching inside
I believe some hearts will survive
Trying hard to pretend that we were gonna be fine

Someone's always saying goodbye
I believe it hurts when we cry
Don't we know partings never so easy
And with all the aching inside
I believe some hearts will survive
Trying hard to pretend that we were gonna be fine

Someone's always saying goodbye
I believe it hurts when we cry
Don't we know partings never so easy
And with all the aching inside
I believe some hearts will survive
Trying hard to pretend that we were gonna be fine
Trying hard to pretend that we were gonna be fine
