

The Only Way

Marion

Some may say
That's it's the only way
And I can honestly say
The only way
I've done it another way
I sat here yesterday
And it was the same as the day before
And I'll probably do it again
Don't give yourself away, away
It's the only way
It's the only way
It's the only way
And even though statistics say
There is only one way
I'll be there tomorrow
Soon you walk down
Into the m-shelf
I hope you really like me
Don't give yourself away, away
It's the only way
It's the only way
It's the only way
away, away
Don't give yourself away, away
It's the only way
It's the only way
It's the only way
Oh, Oh it's the only way
