

# Don't Move

Marit Larsen

Such a bad day for good weather  
Right on time to miss the train  
I just tied my shoes together  
Dropped an earring down the drain

As the crowd goes rushing by  
Suddenly he's right before my eyes

It's more than you're craving  
It's staring you down  
Turn around  
Don't move 'til you believe it  
It's you beyond saving  
Feeling the pull  
It's beautiful  
Don't move  
Don't move 'til you see it

In the green eyes of a stranger  
Is someone I've known all along  
There's safety in his danger  
He's all of my unwritten songs

The platform fades and I go still  
Face to face, I know I will

It's more than you're craving  
It's staring you down  
Turn around  
Don't move 'til you believe it  
It's you beyond saving  
Feeling the pull  
It's beautiful  
Don't move, don't move  
Don't move  
Don't move 'til you see it

You gotta feel it to know  
You gotta know it today  
You gotta get with the flow

It's more than you're craving  
It's staring you down  
Turn around  
Don't move 'til you believe it  
It's you beyond saving  
Feeling the pull  
It's beautiful  
Don't move, don't move

It's more than you're craving  
It's staring you down  
Turn around  
Don't move 'til you believe it  
It's you beyond saving  
Feeling the pull  
It's beautiful

Don't move, don't move  
Don't move, don't move  
Don't move  
Don't move 'til you see it

Such a bad day for good weather  
Right on time to miss the train
