

Ten Steps

Marit Larsen

've got a secret i'm dying to tell you
you're sound asleep, i don't wanna wake you
i'm about to break your heart and you don't know,
you don't know

i've got my suitcase, it's lock and loaded
just in case you haven't noticed
i'm about to break your heart or so i hope,
so i hope

ten steps from your bed
to your door
ten steps and i'll
see you no more

i've tried and i
can't cry, and i
did it, did it
did it, did (2x)

goodbye
and goodbye
and goodbye

you look sweet like when i first saw you
heaven knows how i once adored you
i'm about to kiss your mouth one last time

no dream under your eyelashes
could ever prepare you for this
i'm about to break your heart like you broke mine

ten steps from your bed
to your door
ten steps and i'll
see you no more

i've tried and i
can't cry, and i
did it, did it
did it, did (2x)

goodbye
and goodbye
and goodbye

ten steps from your bed to your door
ten steps and i'll see you no more

i've tried and i
can't cry, and i
did it, did it
did it, did (2x)

five steps from your door to my car
tip-toe will i cross the front yard
don't move you stay right where you ar
