

Belong Together

Mark Ambor

I know sleep is friends with death
But maybe I should get some rest
Cause I've been out here working all damn day

Blueberries and butterflies
The pretty things that greet my eyes
When you call and I say, "I'm on my way"

You and me belong together
Like cold iced tea and warmer weather
Where we lay out late underneath the pines
And we still have fun when the sun won't shine
You and me belong together
All the time

Spilling wine and homemade drinks
We throw a cheers the worries sink
Damn it it's so good to be alive!
And we know that we don't got much
But then again it's just enough
To always find a way for a good time

You and me belong together
Like cold iced tea and warmer weather
Where we lay out late underneath the pines
And we still have fun when the sun won't shine
You and me belong together
This love is all we need
Oh we've got so much you and me

You and me belong together
Like cold iced tea and warmer weather
Where we lay out late underneath the pines
And we still have fun when the sun won't shine
You and me belong together
All the time

It goes on and on and on
It goes on and on and on
It goes on and on and on
