# Hello World

**Mark Ambor**

Staring at the walls of my bedroom
I'm caught reminiscing on happiness, something I lost
I guess this is that future I dreamt of way back
Seems like life sometimes listens then splits you in half

Hello world, what's it take?
Help me find my place
Find me love, one for life
Oh, tell me it'll be alright
It'll be alright
It'll be alright

Tell me you're listening
Tell me you're there
Wanna sleep to your sunsets
And wake up next you
To you being there with me
'Cause I wanna become something in your world
Not some drop in your sea

Hello world, what's it take?
Help me find my place
Find me love, one for life
Oh, tell me it'll be alright
It'll be alright
It'll be alright, ooh

If I'm doing this wrong
I'm still learning
You keep turning
We keep turning
It might take me too long
But I'm learning
Yeah, I'm learning
I'm still learning
Ooh
