

All Night

Mark Battles

Mike Nakh

You need to forget what you heard (forget it)
I know I got quite a reputation yeah
Living without me is absurd (yeah)
And mami let me be your salvation yeah (come on)
Drop top, me and you rolling (rolling)
We can go all night (we can go all night)
Drop top, me and you rolling (rolling)
We can go all night, yeah

Uh, it's two hundred on the dash shorty (uh)
On the gas, move fast for the cash shorty
Don't flex, I'm the realest that you have shorty (ah)
I be sonning all these niggas like I'm past forty
Ay, ay, now I'm bag chasing (yup)
So I stay with the pump like a gas station (ooh)
Heard your ex is bummed, he be mad hating (wah)
Pedal to the metal bitch like I'm drag racing

Yeah

Як би на іноземній мові зачитати реп
Сильно, я дуже хотів, але виходить sad
Може Mily зачитає, damn you want it really bad
Якщо ти не федерал, тоді послухай мій треп
If I wanna rap that's my temptation yeah
If I wanna fly I fly across nations
Put it in her mouth, that's my donation
When I talk to you I be dangerous
Two hoes, a new Royce – це мій choice
Oh my God, нам це все вдалось
Цей вайт бой читає black voice
Чорна біч making big noise
Може мене в Україні знає хтось
Mike on the beat, that's my boy (Mike Nakh)
Я не хочу бути фейк
Але знаю що багато є тут фейку in LA
